

RIPE

RIPE Address Policy Working Group

May 22, 2018, Reykjavik

WG Chairs – Gert Döring & Erik Bais

Please remember:
This session is webcast

Warning ...

- As of 2019, the presentation for Address Policy Working group is not made in Latex anymore ...
- We like to thank Gert Döring for his effort in keeping us informed (using Latex) ...

AP-WG Agenda 09:00 – 10:30

- A. Administrative Matters
 - (welcome, thanking the scribe, approving the minutes, etc.)
- B. WG chair rotation / re-seating
 - - longest-serving chair (Gert Döring) stepping down
 - - finding a new one or keeping the old one
- C. IXP Pool increase & moving scraps to the IXP pool policy proposal
 - Remco van Mook & Will van Gulik

AP-WG Agenda 09:00 – 10:30

- D. Current Policy Topics - Marco Schmidt, NCC PDO
 - - global policy overview "what's going on?"
 - - common policy topics in all regions (end of IPv4, transfers, ...)
 - - overview over concluded proposals in the RIPE region since RIPE 77
 - - brief overview of new proposals (if any)
- E. Feedback From NCC Registration Service - Nikolas Pediaditis
 - (+ discussion with the group)
 - Topic might overflow into the second session.

AP-WG Agenda 11:00 – 12:30

- F. Discussion of open policy proposals
 - * 2019-02 Waiting List & Reducing IPv4 Allocations to a /24
- Y. Open Policy Hour
 - The Open Policy Hour is a showcase for your policy ideas.
 - If you have a policy proposal you'd like to debut, prior
 - to formally submitting it, here is your opportunity.
- Z. AOB

Agenda bashing

- Did we miss anything ... or do we need to change something ?

A: The minutes from RIPE77 (Amsterdam)

- Posted on the ML – 23/3/2019
- No comments or feedback yet.
- Did we miss something or are they good to go ?

Chair (re)-election / re-seating

- Longest-serving chair (Gert Döring) stepping down.
- Process this time was more inviting for others to apply, if they wanted change or active participate on the WG.
- Gert Döring stepped up for a new term.

AP-WG Agenda 09:00 – 10:30
